

James Matthews: Co-Opted Governor

Responsibility for:

Headteacher Appraisal, Teaching & Learning

Term of Office:

10th November 2014 – 9th November 2018

A bit about me...

I've worked for MBNA for 11 years now, and throughout this time have always tried to contribute time to the community, be that through skiing tuition, educating students on money management, which I believe is a key skill for life, and more recently in the last 2 years being a Governor for Dee Point Primary school. I believe that for most people, your years at school are some of the most important years of your life, and lay the foundations for future successes. I live in Chester with my wife, and enjoy cycling and going to the gym, skiing and windsurfing.
