A bit about me...

I feel very privileged to be a governor at Dee Point Primary School. I grew up in Blacon and attended both primary and secondary school here. I am also very proud of the fact that I was part of the student team who helped set up the Blacon Education Village. I am keen to use my experience as a secondary school Assistant Head Teacher to support Dee Point Primary in any way that I can. As a maths teacher I have a keen interest in data however, my personal belief is that education is about students achieving excellent academic outcomes matched with the necessary skills needed to go on and be successful in the modern world that we live in.

In addition to being a governor, I volunteer within Scouting and love to spend my holidays travelling the world.
