Hello Everyone,

Thank you so much for your generous donation of £100 to Dee Point Primary School. Your Valentine's Day Cake Sale was absolutely fabulous and your support means so much, not only to the school but to the children too.

Your company has helped Dee Point Primary School's Football Team to purchase matching training kit which will be worn with pride at future tournaments. The Team have been incredible winning every single one of their last four fixtures in the cup and league and we are extremely proud of them.

We would love to keep you in the loop to see how they are doing, so please follow them on Twitter or read about them in the school's newsletter.

Once again, thank you for your support.

Yours sincerely
