<b>Notes on this survey:</b>				
<p>Thank you for taking the time to complete this survey. Naturally we are delighted with the results of our "Top 5", especially how much you value the school and would recommend it to other families. Overall we are very pleased that the survey has returned a very strong response with greater than 94% of responses being Agree or Strongly Agree. However, we are certainly not complacent and we aim to continuously improve across all areas, especially those where we see our biggest challenges lie. Each time we make an improvement based on these findings I will write to you all to inform you. I hope you are pleased with the responses. In some cases Mr Williams will contact parents and carers to discuss concerns raised in person. Thank you all so much for your responses, they are so valuable to us continuing to improve our school.</p>
