A bit about me...

I was delighted to be voted to represent the staff of Dee Point Primary School on our governing board. I have been a teacher at Dee Point for six years working in upper Key Stage 2, primarily as a Year 6 teacher. I have been teaching for nineteen years and have experience of a range of school settings and undertaken a range of roles including English lead, ECT mentor and coaching lead.

When I am not in school, I can be found at home looking after my own two children, cooking up a curry or taking a swim.
