A bit about me...

I was born in Chester, and I spent my childhood growing up in Hoole, I moved to Blacon over 10 years and enjoy being part of our local community. I am a father of two amazing children, our oldest Tilly-May started at Dee point in September 2022 in the nursery setting, and she absolutely loves it! Our youngest Albie will hopefully follow his sister's footsteps in a year or so. My wife and I come from a very sporty background, and we try and keep our lifestyle very active for our family with lots of walks, bike rides, football, gym etc.

I have never heard of another school that strive to put the children first as much as Dee Point, I would like to support the governing body in continuing to ensure every child has the happy and safe environment which they need to thrive at school. I am hopeful that my current role as an operations Manager for a local Accounting and Payroll company will help provide such support.
