A bit about me...

I have been married for 4 years to Emma (a previous Dee Point student) and I have two daughters Isla and Freya aged 8 & 10, both of whom attend Dee Point. I have worked at MBNA and Lloyds Bank as an analyst for the past years. I like spending any spare time I have in the gym, and i am also an avid cyclist.

I am looking forward to working with all the governors and teachers in an effort to help Dee Point meet its goals in creating a compliant & inclusive atmosphere in which all involved can flourish.
