

Graham Weaver: Co-opted Governor

Responsibility for:

Special Educational Needs

Term of Office:

5th October 2021 – 4th October 2025

A bit about me

I am extremely pleased to be given the opportunity to support Dee Point as a Governor. I spent my formative years in Blacon and still live in Chester.

I am contract Manager for Mitie Technical Facilities and currently manage the Vauxhall Motors Facilities group in Ellesmere Port.

My wife is a professional Florist and Teacher as is my Daughter. My interests include Hill Walking and Photography. I also volunteer with Cheshire East as a Duke of Edinburgh expedition trainer and assessor.

I look forward to using my skills in supporting the school and teaching staff and working with my fellow Governors to fulfill and exceed all the school's aspirations.
