A bit about me...

I have been a Governor of Dee Point Primary School for eight years having been appointed as a Community Governor in 2014. I am currently the school's finance governor and a member of the Personnel and Pay Policy committees.

I have worked for CWAC for 31 years and moved to work as a School Business Manager at a large primary school in Ellesmere Port in September 2014. I am well aware of the pressure and demands placed on educational establishments and the education system itself and will endeavour to do my best to ensure that all children at Dee Point receive the best possible education.
